Defense Enterprise Office Solution (DEOS) Overview

Ms. Caroline Bean
DEOS PMO
December 2020

What is Defense Enterprise Office Solution?

DEOS is a DoD-wide single enterprise solution for common communication, collaboration and productivity. Commercially provided cloud-based enterprise service that seamlessly integrates multiple capabilities to include: email, content management, web conferencing, native audio, native video, chat and office productivity tools.

DEOS is secure, cost-effective, efficient, accessible, intuitive and enables DoD to operate and fight worldwide.

- Department-wide need to offer greater functionality and efficiency
- Support tactical-edge environments (D-DIL), SIPR, and OCONUS
- Create a simpler, defensible perimeter by reducing DoD's IT footprint
- Streamline information access and data sharing across the DoD
- Strengthen DoD cybersecurity posture & leverage joint collaboration capabilities

Timeline shows transition of the DOD365 Tenant (stood up by DISA DEOS PMO) to the DEOS Vendor

* MSFT delivery. Timeline for DoD Integration and phasing TBD ** Additional licensing needed to utilize these features
